About the Foundation

The Baton Rouge Area Foundation has been dedicated to making a difference in South Louisiana since 1964. With a mission to enhance the quality of life in our region, we unite human and financial resources to drive positive change and foster community growth.

Among the largest community foundations in the country, the Baton Rouge Area Foundation seeks to improve the quality of life in greater Baton Rouge and across South Louisiana.

The Foundation pursues its mission by serving donors to build the assets that drive initiatives and solutions, supporting local nonprofits with strategic consulting to ensure overall impact and sustainability, engaging community leaders to develop appropriate responses to emerging opportunities and challenges, and by partnering with others to leverage collective resources and create the capacity to be a stimulus of positive regional change.

Our North Star

Our North Star is clear: We strive to build a thriving and resilient future for all in Baton Rouge and beyond. Through strategic initiatives, collaborative partnerships, and thoughtful philanthropy, we work tirelessly to address emerging challenges and opportunities in our community.

How We Fulfill Our Mission

We pursue our mission through three key avenues:

1 Catalyzing change and positive opportunity in our community.

The Foundation leads civic projects with annual support from our members. This work seeks to address the most pressing barriers to opportunity and is guided by data and community need.

2 Fostering a strong philanthropic environment.

We believe philanthropy is for everyone. The Foundation supports philanthropists at every stage of their journey of giving — providing education, counsel, and tools to help them support nonprofits and

the community at large with their time, knowledge, and resources.

3 Empowering changemakers and nonprofits.

Our Center for Nonprofit Excellence provides strategic and technical support to nonprofit organizations. We build relationships with and between nonprofits in our area, connect organizations to funding opportunities, offer consulting services for fundraising and planning, and lead educational fellowships.

YEAR IN REVIEW

STRENGTHENING NONPROFITS

CENTER FOR NONPROFIT EXCELLENCE LAUNCHED

LAST YEAR THE FOUNDATION established the Center for Nonprofit Excellence to support nonprofit organizations in fulfilling their missions and connecting them with resources to help them succeed.

This division is dedicated to empowering nonprofits through strategic and technical assistance, ultimately helping them become stronger and more effective in serving their communities. The Center offers a range of support services to nonprofits including consulting, on-site visits, and professional fellowships to enhance technical skills and organizational capacity.

NONPROFIT BOARD FELLOWS

EQUIPPING TOMORROW'S NONPROFIT LEADERS

IN AUGUST 2023, the Center for Nonprofit Excellence introduced the Nonprofit Board Fellows program to equip individuals with essential skills for guiding local nonprofit organizations as board members.

This intensive six-session program is catered to civic-minded individuals eager to contribute meaningfully to nonprofit boards or committee service. Selected based on their commitment to service, volunteer experience, and interest in nonprofit advancement, Board Fellows explore topics such as governance, fiduciary responsibilities, fundraising, and more.

COMMUNITY SAFETY + SAFE BR

INVESTING IN COMMUNITY SAFETY

VIOLENT CRIME affects everyone in our community. The Community Safety Impact Fund addresses the pressing issue of safety in Baton Rouge. By supplementing effective policing with community-based solutions, the fund aims to support innovative solutions to significantly reduce homicides and gun violence.

As part of the SafeBR coalition, the Foundation collaborates with stakeholders to ensure a unified approach to enhancing community safety and connectivity. Spearheaded by the Foundation and launched in early 2023, SafeBR embodies a collective effort to address urgent safety concerns and strengthen community bonds. The initiative focuses on reshaping neighborhood environments, providing alternative paths for at-risk youth, and preventing school disengagement. Through these efforts, we strive to increase opportunities in historically underserved areas with high rates of violence

By prioritizing initiatives like SafeBR and implementing the Community Safety Impact Fund we lay the foundation for a safer and more prosperous Baton Rouge.

EDUCATION IMPACT FUND

ENHANCING EDUCATIONAL OUTCOMES

IN 2023 THE FOUNDATION established the Education Impact Fund to ensure all children can access excellent education. To improve educational outcomes for every child in Baton Rouge, the Foundation's Education Impact Fund is pooling resources and expertise, recognizing the pivotal role of early literacy in shaping future success.

Funding from this resource will be used in 2024 and beyond to better understand the aspects that can impact academic success. These findings will be used to inform strategic initiatives with community partners in pursuit of excellent education.

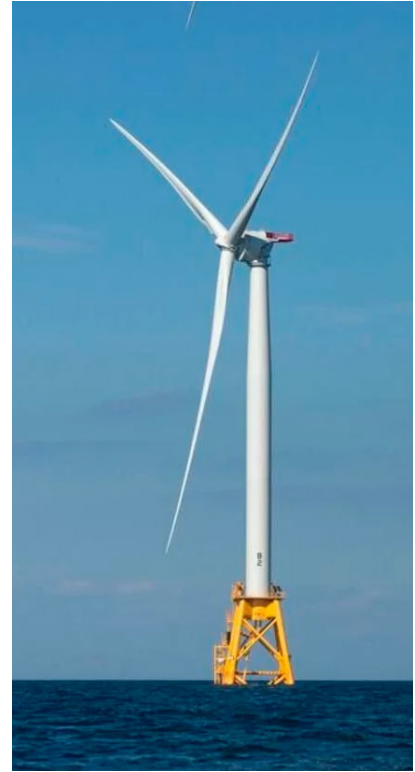

CAMILLE COATES ENVIRONMENTAL IMPACT FUND

TRANSFORMING LOUISIANA INTO A HUB OF SUSTAINABLE ENERGY

AMID ONGOING ENVIRONMENTAL CHALLENGES, the Foundation is taking proactive measures to protect Louisiana’s natural landscape and pave the way for a sustainable future. The Camille Coates Environmental Impact Fund, named after the incredible bequest of Camille Coates, seeks to preserve and protect Louisiana’s natural assets while ensuring the responsible transition of our energy sources.

By making strategic investments and implementing forward-thinking initiatives, we envision Louisiana flourishing as a hub of sustainable energy for generations to come.

LOUISIANA CLEAN ENERGY FUND

ADOPTING CLEAN ENERGY SOLUTIONS

THE LOUISIANA CLEAN ENERGY FUND, a partnership between the Foundation and the Center for Planning Excellence, is leading the charge for a cleaner, more sustainable future in Louisiana. By offering financial and technical support, LCEF is catalyzing clean energy investments statewide. LCEF is committed to nurturing the future workforce through robust job training and development opportunities, positioning Louisiana as a leader in energy solutions. The initiative aims to make clean energy technologies more accessible, driving down costs and increasing resilience.

GROWTH & EXPANSION

WELCOMING NEW ADDITIONS TO OUR TEAM

LAST YEAR THE FOUNDATION expanded with the addition of multiple new team members, representing an increase in capacity of nearly 20%. This expansion positioned us to take on even more ambitious projects, enabling us to deliver greater impact within our community. The Foundation credits this growth to the dedication and hard work of our existing team members, whose commitment has laid the groundwork for our success. As we celebrate this milestone, we eagerly anticipate the continued growth and progress that lie ahead.

OPPORTUNITY DATA PROJECT

GUIDING BATON ROUGE'S PATH TO PROGRESS

DATA CAN TELL US PLENTY, including where to invest for the best return. The Opportunity Data Project, a joint effort between BRAF and Common Good Labs, leverages advanced data analysis to pinpoint areas in Baton Rouge that require philanthropic support and resources. By examining factors like education, income, access to healthcare, and more, the project aims to improve quality of life in the parish through informed and targeted initiatives.

Initial research by the project has gained insights into the geography of opportunity and community safety. By identifying factors driving violent crime, this data has inspired initiatives such as SafeBR, which aims to reduce homicide rates in the capital city by half over two decades. Forthcoming research will focus on improving education and health outcomes for the community.

TOP YEAR FOR PHILANTHROPY

DONORS CONTRIBUTE RECORD-BREAKING AMOUNTS

IN 2023, DONORS CONTRIBUTED \$48.3 million to the Foundation and invested almost \$55 million into the community through grantmaking, marking one of the top five years of philanthropy in its history. This achievement is noteworthy even when compared to record years following major events like Hurricane Katrina and the Deepwater Horizon oil spill.

Since its inception 60 years ago, the Foundation has granted over \$700 million to charitable causes. Furthermore, 2023 also saw the Foundation achieving its highest year for membership, providing individuals, businesses, and nonprofit organizations with opportunities to directly support critical civic leadership projects.
